ABSTRACT STRUCTURE

Please follow these guidelines for the submission of your abstract:

- **Structure:**
 - a) Title
 - b) Name of the expert panel and your preference either for an oral or a poster presentation
 - c) Author(s) and short professional CV(s) including photo(s), contact email and phone number
 - d) Abstract

GENERAL REMARKS

- Abstract should be between 150 and 200 words, clear, concise, in English with correct spelling and good sentence structure.
- Mathematical symbols and equations must be typed in, and metric symbols should be used. Figures and tables must not be included.
- We recommend that the abstract is carefully compiled and thoroughly checked, in particular with regard to the list of authors, before submission in order to avoid last minute changes.
- The submission of an abstract carries with it the obligation that it is actually presented at the meeting by the author or, at least, by one of the co-authors.
- After Paper (Abstract) selection, author(s) will be informed and provided with administrative information and a guide (accommodation, travel, locations, etc.)
- Presentations are subject to availability and acceptance by the Programme Committee.
- All speakers will be listed on the FFF website.

In case you need any further information or assistance please contact us at:
