

## KÄRCHER FUTURETECH

Support for peacekeeping and disaster control

Kärcher Futuretech GmbH, headquartered in Schwaikheim, Germany near Stuttgart, is a wholly owned subsidiary of Alfred Kärcher GmbH & Co. KG. The company currently employs 120 employees under the leadership of Mr. Thomas Popp, as the Managing Director. The turnover in 2015 was 40 million euros.

Kärcher Futuretech develops and manufactures Mobile Water Supply, CBRN Decontamination, Mobile Catering and Field Camp Systems for civil and military defense operations. Complementary to its innovative product portfolio Kärcher Futuretech provides customer-centric logistical services and training worldwide, even in remote areas. Kärcher Futuretech integrates Kärcher's globally valued core competences in the fields of high pressure and burner technology into its high-quality, robust and reliable systems.

Combined, these unique competences have enabled Kärcher Futuretech to achieve a leading position in the industry of Mobile Water Supply, CBRN protection and base camp related systems for over 30 years.
